

**RESOLUTION NO. 14-28**

**RESOLUTION OF THE TOWN COUNCIL OF THE TOWN OF MAMMOTH LAKES, STATE OF CALIFORNIA, ESTABLISHING AND UPDATING A SCHEDULE OF FEES AND CHARGES FOR TOWN SERVICES**

WHEREAS, the Town of Mammoth Lakes has conducted a review and analysis of its services, the costs reasonably borne in providing those services, the beneficiaries of those services, and the revenues produced by those paying fees and charges for special services; and

WHEREAS, the Town wishes to comply with both the letter and the spirit of Article XIII B of the California Constitution and limit the growth of taxes; and

WHEREAS, the Town desires to continue to implement its policy of recovering a range of the costs reasonably borne in providing specific services of a voluntary and limited nature, such that general taxes are not diverted from general services of a broad nature and thereby utilized to subsidize unfairly and inequitably such services; and

WHEREAS, the Town Council has established its policy as to the recovery of costs and more particularly the percentage of costs reasonably borne to be recovered from users of Town services; and

WHEREAS, notice of public hearing has been provided pursuant to Government Code Section 6062a, oral and written presentations made and received, and the required public hearing held; and

WHEREAS, a schedule of fees and charges to be paid by those requesting such special services must be adopted so that the Town might carry into effect its policies; and

WHEREAS, it is the intention of the Town Council to develop a schedule of fees and charges based on the Town's budget and projected costs reasonably borne for Fiscal Year beginning July 1, 2014; and

WHEREAS, all requirements of California Government Code Section 66016 and 66018 are hereby found to have been complied with.

**NOW, THEREFORE, THE TOWN COUNCIL OF THE TOWN OF MAMMOTH LAKES DOES RESOLVE, DETERMINE, AND ORDER AS FOLLOWS:**

Section 1. Fee Schedule Adoption. The attached schedule of fees and charges are hereby directed to be computed by and filed by the various Town departments effective July 1, 2014 and to be collected by all Town Departments for the listed special services when provided by the Town or its designated contractors.

Section 2. Separate Fee for Each Process. All fees set by this resolution are for each identified process; additional fees shall be required for each additional process or service that is requested or required. Where fees are indicated on a per unit of measurement basis, the fee is for each identified unit or portion thereof within the indicated ranges of such units.

Section 3. Fees. The attached fees shall be charged and collected for the enumerated services starting on July 1, 2014.

Section 4. Interpretations. This resolution may be interpreted by the several Town department heads in consultation with the Town Manager; should there be a conflict between two fees, then the lower in dollar amount of the two shall be applied.

Section 5. Severability. If any section, subsection, subdivision, paragraph, sentence, clause or phrase in this resolution, or any part thereof, is held invalid or unconstitutional, then such decision shall not affect the validity of the remaining sections or portions of this resolution or part thereof. The Town Council hereby declares that it would have passed each section, subsection, subdivision, paragraph, sentence, clause or phrase of this resolution irrespective of the fact that any one or more sections, subdivisions, paragraphs, sentences, clauses or phrases may be declared invalid or unconstitutional..

Section 6. Effective Date. This resolution shall go into full force and effect immediately, but shall be subject to the terms and conditions as provided for in this resolution and Chapter 3.39 of the Municipal Code.

PASSED, APPROVED AND ADOPTED this 4th day of June, 2014.
