**MAMMOTH HALF MARATHON RETURNS JUNE 21-22**

The 2nd Annual Mammoth Half Marathon & 5K, a one-of-a kind race event, with 100 percent of its net proceeds benefiting local causes, is set to take place the weekend of June 21 – 22, 2014, in Mammoth Lakes, California. The inaugural event in 2013 hosted over 1,000 runners between the half marathon and 5K distances, and donated over \$9,000 to Disabled Sports Eastern Sierra, Mammoth High School and other local nonprofit organizations. Registrations are outpacing last year by 30% and partner hotel rooms are already up over 40% more than last year’s successful event.

The Mammoth Half Marathon is a nonprofit 501(c)(3) organization, whose mission is to put on premier running events and catalyze volunteerism as a way to help communities. The half marathon starts at almost 9,000 feet above sea level at Horseshoe Lake, and features a picturesque, mostly downhill 13.1-mile course, including a new scenic loop around Lake Mary. The 5K’s 3.1-mile course takes runners of all ages and abilities

through a beautiful route around downtown Mammoth Lakes. Both races culminate in the “Celebrate Mammoth Lakes” block party in downtown Mammoth, which includes music, entertainment and a family fun zone.

The half marathon race is the second leg of the San Diego-Mammoth Challenge; finishers of both the San Diego Half Marathon, which took place on March 9, 2014, and the Mammoth Half Marathon, will receive a special extra-large, spinning Challenge medal.

“Mammoth Lakes is such a perfect place to host an event of this kind,” said Susan Briggs, Executive Director of both the San Diego Half Marathon and Mammoth Half Marathon, “The community support at last year’s inaugural race was outstanding, and we are thrilled that over 1,300 runners have already signed up for the 2014 event. And, the new loop around Lake Mary will make this race one of the most scenic half marathon courses in the world.”

The weekend festivities include a Sport, Health & Fitness Expo to be held on Saturday, June 21 from 12 pm to 8pm at the Village Lodge, where runners will pick up their race packets, and vendors will provide interactive demos and product samples. The half marathon and 5K will take place on Sunday, June 22, both starting at 7:30 am, and the Celebrate Mammoth Lakes Block Party will take place concurrently on June 22 from 7:30 am to 1:00 pm on Old Mammoth Road. The Expo and Block Party are free and open to the public. A limited number of bibs for both races may be available for sale on-site at the Expo if online registration does not sell out.

The Mammoth Lakes, Crowley Lake, Bishop and surrounding communities are encouraged to come show their support of any and all of the weekend’s activities. For information on road closures and detour information, visit the Community Info page on the Mammoth Half Marathon & 5K website at [www.mammothhalfmarathon.com](http://www.mammothhalfmarathon.com).

### **USFS FOREST PLAN REVISIONS CONTINUE – JUNE 19**

The U.S. Forest Service will host a series of public workshops for forest plan revisions on the Sierra, Sequoia and Inyo National Forests. The meetings were originally scheduled for April 7, 8 and 10.

These workshops follow those the Forest Service hosted in January. At those workshops, the public provided feedback on the Forest Service’s preliminary Need to Change, Draft Roles and Contributions, and example Desired Conditions.

“The public and our partners asked for more time to understand and engage with us on the Need to Change and we listened,” said Regional Forester Randy Moore. “We are committed to ensuring that the public remains engaged as we move forward with revising these three forest plans.”

The public is welcome at any of the three upcoming workshops:

- Sierra National Forest: Monday, June 16, 2014  
Holiday Inn Fresno Airport, 5090 E. Clinton Way, Fresno, CA
- Sequoia National Forest : Tuesday, June 17, 2014  
Woodrow W. Wallace Elementary School, 3240 Erskine Creek Rd., Lake Isabella, CA
- Inyo National Forest: Thursday, June 19, 2014  
Cerro Coso Community College, Eastern Sierra College Center, 4090 W. Line Street, Bishop, CA

Each workshop will be held from 5:00 – 8:00 p.m. with presentations by Forest Service staff. The public will have time to visit topic-specific stations and to talk with Forest Service staff. Additionally, the public is invited to bring an 8 ½ x 11 inch copy of a photo depicting Forest Service lands they have strong feelings about. This photo may be recent or historic. Photos will be shared at the “Desired Conditions” station and the public should be able to answer the following questions regarding their photos:

- Where was the photo taken?
- When was the photo taken?
- What do you like about this place?
- Does this picture need to change? If so, how and when should this happen?

For more information regarding forest plan revisions visit the Pacific Southwest Region’s planning website at: <http://www.fs.usda.gov/main/r5/landmanagement/planning>. Pertinent information for the June workshops will be posted there prior to the meetings.

For forest-specific information, please contact that forest directly:

- Sierra NF: Dirk Charley at 559-297-0706, extension 4805 or [dcharley@fs.fed.us](mailto:dcharley@fs.fed.us)
- Sequoia NF: Maria Ulloa at 559-784-1500 or [mtulloa@fs.fed.us](mailto:mtulloa@fs.fed.us)
- Inyo NF: Deb Schweizer at 760-873-2427 or [debraschweizer@fs.fed.us](mailto:debraschweizer@fs.fed.us)

The Sierra, Sequoia and Inyo are three of eight national forests that were selected as “early adopters,” meaning they will be the first to revise their land management plans using the new National Forest System Planning Rule, completed in 2012. The planning rule provides the framework for Forest Service land management plans across the nation.

**AMERICANS WITH DISABILITIES:** In compliance with the Americans with Disabilities Act, if special assistance to participate in this meeting is needed, please contact the appropriate National Forest. Notification at least 48 hours prior to the meeting will enable the Forest Service to make reasonable arrangements.
