

BE PART OF YOUR TOWN'S RECREATION FUTURE

MAMMOTH CREEK PARK WEST

PLAN Your PARK

TELL US HOW YOU WANT TO PLAY!

The Town of Mammoth Lakes has begun the process to plan, design and construct Community Multi-Use Facilities at Mammoth Creek Park. The project includes three major components: a Multi-use Facility, a complementary Community Center, and a playground with accessible components.

The Recreation Commission wants to hear how you want to play in the park, on the ice, at the RecZone and in the Community Center. With your help, we can create a *Recreation Destination* the entire community of Mammoth Lakes will actively enjoy, value and ultimately be proud to call *Your Park*.

The Town of Mammoth Lakes Recreation Commission is Seeking Community Input For Programming Needs & Space Alternatives for Proposed Facilities
