TOML APPROVED TRANSIENT RENTAL INSPECTOR

Municipal Code Section 5.40.060 requires that transient uses within a residential structure be inspected, prior to commencement of the use, by a qualified inspector authorized and approved by the Town to conduct such inspections.

Home Inspectors on this list meet one or more of the following requirements:

- A member in good standing of the National Association of Home Inspectors, Inc.;
- Have an ICC Building Inspection certificate;
- Have a general contractor's license in good standing with the California State Contractor's Licensing Board with a minimum of three (3) years of experience as a contractor; or, have ability to demonstrate a minimum of five (5) years of residential building construction experience with a minimum of three (3) years' experience as a residential construction site superintendent;
- Or, an equivalent combination of experience, education and training, skills and abilities that demonstrate, to the satisfaction of the Community & Economic Development Manager, that the Home Inspector is capable of performing the services defined herein. Please provide documentation verifying licensing and/or experience requirements and describe below:
