Zoning Code Update: Focus on Signs

August 17, 2010

We want to hear from you!

The Town would like to invite community members to a public Planning Commission workshop on **Wednesday, August 25th at 2:00 p.m. in Suite Z/ Town Council Chambers.**

The Town is updating our sign code regulations as part of the Zoning Code Update. What do you think about the signage you see around Town and how it might be improved?

What We'll Discuss

This workshop will allow you to identify and discuss your key issues with signage in Mammoth, including:

- Sign Design
- Sign Lighting
- Banners and Temporary Signs
- Nonconforming Signs
- Sign Permitting Process

Want more information?

Contact Jen Daugherty at jdaugherty.ci.mammoth-lakes.ca.us or at (760) 934-8989 ext. 260 to sign up for email notification.

Signage in The Village at Mammoth

Questions to Think About

- How can sign regulations be more user-friendly and easy to understand?
- How can sign regulations better support the local economy and recognize the needs of various types of businesses?
- Do sign regulations discourage visual clutter while providing for effective means of communication?
- Should the sign regulations encourage creative designs that strengthen the identity of the community as a premier, year-round destination resort?
