The Subrecipient's obligation to the Grantee shall not end until all close-out requirements are completed. Activities during this close-out period shall include, but are not limited to: making final payments, disposing of program assets (including the return of all unused materials, equipment, unspent cash advances, program income balances, and accounts receivable to the Grantee), and determining the custodianship of records. In addition, the Grantee reserves the right to liquidate funds available under this contract for costs incurred by the Grantee on behalf of the Subrecipient.

Equipment not needed by the Subrecipient for activities under this Agreement shall be (a) transferred to the Grantee for the HOME program or (b) retained after compensating the Grantee [an amount equal to the current fair market value of the equipment less the percentage of non-HOME funds used to acquire the equipment].

In accordance with the requirements of the Flood Disaster Protection Act of 1973 (42 U.S.C. 4001), the Subrecipient shall assure that for activities located in an area identified by the Federal Emergency Management Agency (FEMA) as having special flood hazards, flood insurance under the National Flood Insurance Program is obtained and maintained as a condition of financial assistance for acquisition or construction purposes (including rehabilitation).

C. Lead-Based Paint

The Subrecipient agrees that any construction or rehabilitation of residential structures with assistance provided under this Agreement shall be subject to HUD Lead-Based Paint Regulations at 24 CFR Part 35. Such regulations pertain to all HOME-assisted housing and require that all owners, prospective owners, and tenants of properties constructed prior to 1978 be properly notified that such properties may include lead-based paint. Such notification shall point out the hazards of lead-based paint and explain the symptoms, treatment and precautions that should be taken when dealing with lead-based paint poisoning and the advisability and availability of blood lead level screening for children under seven. The notice should also point out that if lead-based paint is found on the property, abatement measures may be undertaken. The regulations further require that, depending on the amount of Federal funds applied to a property, paint testing, risk assessment, treatment and/or abatement may be conducted.

D. Historic Preservation

The Subrecipient agrees to comply with the Historic Preservation requirements set forth in the National Historic Preservation Act of 1966, as amended (16 U.S.C. 470) and the procedures set forth in 36 CFR Part 800, Advisory Council on Historic Preservation Procedures for Protection of Historic Properties, insofar as they apply to the performance of this agreement.

In general, this requires concurrence from the State Historic Preservation Officer for all rehabilitation and demolition of historic properties that are fifty years old or older or that are included on a Federal, state, or local historic property list.

E. NEPA Compliance

The Subrecipient shall prepare the required National Environmental Policy Act (NEPA) documentation consistent with 42 USC 4321-4347 and the implementing regulations at 24 CFR Part 50 and 58. The Subrecipient shall provide the required NEPA documentation to the State.

XII. SEVERABILITY

If any provision of this Agreement is held invalid, the remainder of the Agreement shall not be affected thereby and all other parts of this Agreement shall nevertheless be in full force and effect.

XIII. SECTION HEADINGS AND SUBHEADINGS

The section headings and subheadings contained in this Agreement are included for convenience only and shall not limit or otherwise affect the terms of this Agreement.

XIV. WAIVER

The Grantee's failure to act with respect to a breach by the Subrecipient does not waive its right to act with respect to subsequent or similar breaches. The failure of the Grantee to exercise or enforce any right or provision shall not constitute a waiver of such right or provision.

XV. ENTIRE AGREEMENT

This agreement constitutes the entire agreement between the Grantee and the Subrecipient for the use of funds received under this Agreement and it supersedes all prior or contemporaneous communications and proposals, whether electronic, oral, or written between the Grantee and the Subrecipient with respect to this Agreement.

HOMEBUYER PROGRAM GUIDELINES

1.0. GENERAL

The above-named entity, hereinafter referred to as the “Sponsor,” has entered into a contractual relationship with the California Department of Housing and Community Development (“HCD”) to administer one or more HCD-funded homebuyer programs. The homebuyer program described herein (the “Program”) is designed to provide assistance to eligible homebuyers in purchasing homes, also referred to herein as “housing units”, located within the Program’s eligible area, as described in Section 3.1.A. The Program provides this assistance in the form of deferred payment “silent” second priority loans as “Gap” financing toward the purchase price and closing costs of affordable housing units that will be occupied by the homebuyers as their primary residence. The Program will be administered by Mammoth Lakes Housing, Inc. (the “Program Operator”).

1.1. PROGRAM OUTREACH AND MARKETING

All outreach efforts will be done in accordance with state and federal fair lending regulations to assure nondiscriminatory treatment, outreach and access to the Program. No person shall, on the grounds of age, ancestry, color, creed, physical or mental disability or handicap, marital or familial status, medical condition, national origin, race, religion, gender or sexual orientation be excluded, denied benefits or subjected to discrimination under the Program. The Sponsor will ensure that all persons, including those qualified individuals with handicaps, have access to the Program.

- A. The Fair Housing Lender and Accessibility logos will be placed on all outreach materials. Fair housing marketing actions will be based upon a characteristic analysis comparison (census data may be used) of the Program’s eligible area compared to the ethnicity of the population served by the Program (includes, separately, all applications given out and those receiving assistance) and an explanation of any underserved segments of the population. This information is used to show that protected classes (age, gender, ethnicity, race, and disability) are not being excluded from the Program. Flyers or other outreach materials, in English and any other language that is the primary language of a significant portion of the area residents, will be widely distributed in the Program-eligible area and will be provided to any local social service agencies. The Program may sponsor homebuyer classes to help educate homebuyers about the home buying process and future responsibilities. Persons who have participated in local homebuyer seminars will be notified about the Program.
- B. The Program Operator will work with local real estate agents and primary lenders to explain the Program requirements for eligible housing units and homebuyers, and to review Program processes. Local real estate agents and primary lenders will also be encouraged to have their customers participate in the Program.

- C. Section 504 of the Rehabilitation Act of 1973 prohibits the exclusion of an otherwise qualified individual, solely by reason of disability, from participation under any program receiving Federal funds. The Program Sponsor will take appropriate steps to ensure effective communication with disabled housing applicants, residents and members of the public.

1.2. APPLICATION PROCESS AND SELECTION

- A. The Sponsor maintains a waiting list of applicants. Each applicant is asked to complete an application form, which asks for sufficient information concerning income, employment, and credit history to establish preliminary eligibility for Program participation. Completed applications are processed on a first-come-first-served basis. Applications are deemed complete only if all information is completed, the application is signed and dated, and a primary lender's pre-qualification letter is attached to the application. Incomplete applications are returned to the applicant and will not be date/time stamped until complete.
- B. Once the applicant's name comes to the top of the waiting list, their Program eligibility is confirmed and they are invited to a briefing regarding participation in the Program. At the briefing the application is reviewed and the potential homebuyer is given a "Preliminary Eligibility Letter" for the Program along with the following forms: Program Brochure, Attachment (G) Instructions to Home Buyer, List of Participating Lenders, Attachment (E) Sellers Lead-Based Paint Disclosure and the EPA Booklet (Protect Your Family from Lead in Your Home) and (F) Notice to Seller.

If the Program Operator encounters material discrepancies and/or misrepresentations, and/or there are income, asset, household composition, or other important questions that can't be resolved, the Sponsor reserves the right to deny assistance to the household. In this case, the applicant may re-apply after six months have elapsed from the time of written assistance denial.

- C. Each applicant must participate in individual Homebuyer Counseling and receive a certificate of completion.
- D. The potential homebuyer is given 60 days in order to find a qualified home and begin securing a primary loan for the housing unit. If during the 60-day time frame, the potential homebuyer is unable to purchase a home, an extension may be given. However, if it appears the potential homebuyer cannot participate in the Program, the reservation of funds expires and the next person on the waiting list is given an opportunity to participate in the Program.

1.3. THE HOME PURCHASE PROCESS

A. The following is a simplified example of how a primary lender would analyze a homebuyer’s finances to determine how much the homebuyer could afford to borrow from the primary lender towards homeownership.

DEBT SERVICE		
FOR A FAMILY OF FOUR EARNING \$3,388 PER MONTH		
HOUSING PAYMENTS		TOTAL OVERALL PAYMENTS
Principal & Interest Payment	\$ 865	\$1,180 Housing
Insurance	82	+200 Other Debt Service
Taxes	<u>233</u>	\$1,380 Total Debt Service
Total Housing Expense (PITI is 35% of \$3,388)	\$1,180	(Overall debt service per month is 41% of \$3,388)
 OTHER HOUSEHOLD DEBT SERVICE		
Car Payment	\$ 150	
Credit Card Payment	<u>50</u>	
Total Other Debt	\$ 200	
A \$865 per month loan payment equates to borrowing \$143,000 at 5.88% for a 30 year term.		

SUBSIDY CALCULATION	
FOR A FAMILY OF FOUR EARNING \$3,388 PER MONTH	
Purchase Price of Property	\$ 280,000
Less Primary loan amount	143,000
Less down payment of 1%	<u>2,800</u>
 Equals “GAP”	 \$ 134,200
 Plus estimated allowable settlement charges	 <u>8,400</u>
 Equals Total Subsidy	 \$ 142,600

B. The housing unit selection process will be conducted by the homebuyers. Prior to making an offer to purchase an eligible housing unit (see Section 3.0), homebuyer shall provide seller with a disclosure containing the following provisions:

- 1) Homebuyer has no power of eminent domain and, therefore, will not acquire the property if negotiations fail to result in an amicable agreement;
 - 2) Homebuyer's offer is an estimate of the fair market value of the housing unit, to be finally determined by a state-licensed appraiser;
 - 3) The housing unit will be subject to inspection. The housing unit must comply with local codes at the time of construction and local health and safety standards;
 - 4) All housing units built prior to January 1, 1978, will require a lead paint disclosure to be signed by both the homebuyer and Seller (Attachment E);
 - 5) Since the purchase would be voluntary, the seller would not be eligible for relocation payments or other relocation assistance;
 - 6) The seller understands that the housing unit must be either: currently owner-occupied, newly constructed, or vacant for three months prior to submission of the purchase offer;
 - 7) If the seller is not provided with a statement of the above six provisions prior to the purchase offer, the seller may withdraw from the agreement after this information is provided.
- C. Applicant submits executed standard form purchase and sale agreement and primary lender prequalification letter to Program Operator. The purchase and sale agreement will be contingent on the household and housing unit meeting Program eligibility requirements and receiving Program loan approval. Program Operator verifies applicant eligibility, housing unit and loan eligibility and amount of assistance to be provided consistent with these guidelines.
- D. Program Operator, where Program Operator is not the Sponsor, submits recommendation to the Sponsor for approval or denial, including the reasons for the recommendation. Sponsor determines Applicant's approval or denial, and instructs Program Operator to notify Applicant. Program Operator provides written notification to Applicant of approval or denial with reason and, if denied, a copy of the Program's appeal procedures.
- E. When Primary Lender requirements are met, Program funds are deposited into escrow, with required closing instructions and loan documents.
- F. At the time of escrow closing, the Sponsor shall be named as an additional loss payee on fire, flood (if required), and extended coverage insurance for the length of the loan and in an amount sufficient to cover all encumbrances or full replacement cost of the housing unit. A policy of Title Insurance naming the Sponsor as insured is also required.

1.4. HOMEBUYER COSTS

- A. Eligible households must document that they have the funds necessary for down payment and closing costs as required by the Primary Lender and the Sponsor.

The Program's down payment requirement (below) is in place even if the Primary Lender has a lower down payment requirement. If the Primary Lender has a higher down payment requirement, there is no additional down payment requirement required by the Program.

- B. Homebuyer must contribute a minimum down payment of one percent (2%) of the purchase price, but may contribute more if desired.
- C. Sponsor will not provide a subsidy that is greater than the amount of the primary mortgage. The subsidy will write down the cost of the primary lender's loan so that the payments of PITI are within approximately 25 to 35% of the gross household income. The Program Operator will determine the level of subsidy and affordability during underwriting of the Program's loan to make sure that it conforms to the requirements of the HCD funding Program.

1.5. HOMEBUYER EDUCATION

Buying a home can be one of the most confusing and complicated transactions anyone can make. Providing the future homebuyer with informative homebuyer education training, can bring success to the Sponsor, Program Operator, the Program and most importantly, the homebuyer. It has been documented that first-time homebuyers that have had homebuyer education have the ability to handle problems that occur with homeownership. All Program participants are required to attend a Sponsor-approved homebuyer education class. The homebuyer education class will cover such topics as the following: preparing for homeownership; available financing; credit analysis; loan closing; homeownership responsibilities; home maintenance; impact of refinancing and loan servicing. Methods of homebuyer counseling and education may include, but are not limited to: one-on-one counseling between homebuyer, counselor and family/individual and/or group workshops and informational sessions. Tools of instruction may include fliers, brochures, power point presentations, worksheets, etc.

1.6. CONFLICT OF INTEREST REQUIREMENTS

Section 92.356 of the HOME Final Rule shall be followed for HOME assistance, as follows:

- (a) Conflicts prohibited. No persons described in paragraph (b) of this section who exercises or has exercised any functions or responsibilities with respect to activities assisted with HOME funds or who are in a position to participate in a decision making process or gain inside information with regard to these activities, may obtain a financial interest or benefit from a HOME-assisted activity, or have a financial interest in any contract, subcontract or agreement with respect to the HOME-assisted activity, or the proceeds from such activity, either for themselves or those with whom they have business or immediate family ties, during their tenure or for one year thereafter. Immediate family ties include (whether by blood, marriage or adoption) the spouse, parent (including

stepparent), child (including stepchild), brother, sister (including a stepbrother or stepsister), grandparent, grandchild and in-laws of a covered person.

(b) Persons covered. The conflict of interest provisions of paragraph (a) of this section apply to any person who is an employee, agent, consultant, officer, or elected official or appointed official of the participating jurisdiction, State recipient, or subrecipient which are receiving HOME funds.

(c) Exceptions: Threshold requirements. Upon the written request of the participating jurisdiction to HCD, HUD may grant an exception to the provisions of paragraph (a) of this section on a case-by-case basis when it determines that the exception will serve to further the purposes of the HOME Investment Partnerships Program and the effective and efficient administration of the participating jurisdiction's program or project. See 24 CFR 92.356(d)(1-6) for details on the documentation needed in order to submit an exception request to HUD.

A contractor with a vested interest in the property cannot bid on a rehabilitation job. Such a contractor may act as owner/builder, subject to standard construction procedures. Owner/builders are reimbursed for materials purchased which are verified by invoice/receipt and used on the job. Reimbursement occurs after the installation is verified by the Program Operator to be part of the scope of work. Owner/builders are not reimbursed for labor.

1.7. NON-DISCRIMINATION REQUIREMENTS

The Program will be implemented in ways consistent with the Sponsor's commitment to non-discrimination. No person shall be excluded from participation in, denied the benefit of, or be subject to discrimination under any program or activity funded in whole or in part with State funds on the basis of his or her religion or religious affiliation, age, race, color, creed, gender, sexual orientation, marital status, familial status (children), physical or mental disability, national origin, or ancestry, or other arbitrary cause.

2.0 APPLICANT QUALIFICATIONS

2.1. CURRENT INCOME LIMITS FOR THE AREA, BY HOUSEHOLD SIZE

All applicants must certify that they meet the household income eligibility requirements for the applicable HCD program(s) and have their household income documented. The income limits in place at the time of loan approval will apply when determining applicant income eligibility. All applicants must have incomes at or below 80% of the County's area median income (AMI), adjusted for household size, as published by HCD.

(See Attachment C for current income limits).

Household: Means one or more persons who will occupy a housing unit. Unborn children DO COUNT in family size determination.

Annual Income: Generally, the gross amount of income of all adult household members that is anticipated to be received during the coming 12-month period.

2.2. INCOME QUALIFICATION CRITERIA

Projected annual gross income of the applicant household will be used to determine whether they are above or below the published HCD income limits. Income qualification criteria, as shown in the most recent HCD program-specific guidance at <http://www.hcd.ca.gov/grants-funding/income-limits/income-calculation-and-determination-guide.shtml>, will be followed to independently determine and certify the household's annual gross income. The Program Operator should compare this annual gross income to the income the Primary Lender used when qualifying the household. The Primary Lender is usually underwriting to FHA or conventional guidelines and may not calculate the household income or assets in the same way as required by the Program. Income will be verified by reviewing and documenting tax returns, copies of wage receipts, subsidy checks, bank statements and third-party verification of employment forms sent to employers. All documentation shall be dated within six months prior to loan closing and kept in the applicant file and held in strict confidence.

A. HOUSEHOLD INCOME DEFINITION:

Household income is the annual gross income of all adult household members that is projected to be received during the coming 12-month period, and will be used to determine program eligibility. Refer to Income Inclusions and Exclusions for further guidance to the types of incomes to be included or excluded when calculating gross annual income. For those types of income counted, gross amounts (before any deductions have been taken) are used. Two types of income that are not considered would be income of minors and live-in aides. Certain other household members living apart from the household also require special consideration. The household's projected ability to pay must be used, rather than past earnings, when calculating income.

See Attachment A: 24 CFR Part 5 Annual Income Inclusions and Exclusions

B. ASSETS:

There is no asset limitation for participation in the Program. Income from assets, however, is recognized as part of annual income under the Part 5 definition. An asset is a cash or non-cash item that can be converted to cash. The value of necessary items such as furniture and automobiles are not included. (*Note: it is the income earned – e.g. interest on a savings account – not the asset value, which is counted in annual income.*)

An asset's cash value is the market value less reasonable expenses required to convert the asset to cash, including, for example, penalties or fees for converting financial holdings, and costs for selling real property. The cash value (rather than

the market value) of an item is counted as an asset.

See Attachment B: Part 5 Annual Income Net Family Asset Inclusions and Exclusions

2.3. DEFINITION OF AN ELIGIBLE HOMEBUYER

HOME-funded Programs are required to use the following definition of an eligible homebuyer, which is a “first-time homebuyer” from 8201(l) Title 25 California Code of Regulations:

“First-time homebuyer” means an individual or individuals or an individual and his or her spouse who have not owned a home during the three-year period before the purchase of a home with subsidy assistance, except that the following individual or individuals may not be excluded from consideration as a first-time homebuyer under this definition:

1. a displaced homemaker who, while a homemaker, owned a home with his or her spouse or resided in a home owned by the spouse. A displaced homemaker is an adult who has not, within the preceding two years, worked on a full-time basis as a member of the labor force for a consecutive twelve-month period and who has been unemployed or underemployed, experienced difficulty in obtaining or upgrading employment and worked primarily without remuneration to care for his or her home and family;
2. a single parent who, while married, owned a home with his or her spouse or resided in a home owned by the spouse. A single parent is an individual who is unmarried or legally separated from a spouse and has one or more minor children for whom the individual has custody or joint custody or is pregnant; or
3. an individual or individuals who owns or owned, as a principal residence during the three-year period before the purchase of a home with assistance, a dwelling unit whose structure is:
 - a. not permanently affixed to a permanent foundation in accordance with local or state regulations; or
 - b. not in compliance with state, local, or model building codes and cannot be brought into compliance with such codes for less than the cost of constructing a permanent structure.

3.0. HOUSING UNIT ELIGIBILITY

3.1. LOCATION AND CHARACTERISTICS

- A. Housing units to be purchased must be located within the eligible area. The eligible area is described as follows: “Within the Town of Mammoth Lakes, CA”
- B. Housing unit types eligible for the homebuyer Program are new or previously owned single-family residences; condominiums; or manufactured homes on a permanent foundation system.
- C. All housing units must be in compliance with State and local codes and ordinances.
- D. Housing units located within a 100-year flood zone will be required to provide proof of flood insurance with an endorsement naming the Town of Mammoth Lakes, CA as loss payee in order to close escrow.
- E. Housing must be “modest”, having no more than three bedrooms, two bathrooms, and a two-car garage. Larger homes are acceptable if necessary for only the following reasons:
 - The family size necessitates additional bedroom(s); or
 - A reasonable accommodation is necessary due to the family’s disability (e.g. an extra bedroom for an aide)

Exceptions for these reasons must be approved by the Loan Committee and must be documented for monitoring purposes.

3.2. CONDITIONS

- A. Construction Inspection and Determining Need for Repairs.

Once the participating homebuyer has executed a purchase agreement for a housing unit, and prior to a commitment of Program funds, the following steps must be taken for the housing unit to be eligible for purchase under the Program:

- 1) When the Sponsor’s Program utilizes Federal funds and if the housing unit was constructed prior to 1978 then the lead-based paint requirements of Section 3.2.C will apply.
- 2) The Program Operator, a certified housing inspector, or a Sponsor representative will walk through the housing unit, determine if it is structurally sound, and identify any code related and health and safety deficiencies that need to be corrected. A list of code related repair items

will be given to the homebuyers and their Realtor to be negotiated with the seller.

- 3) Upon completion of all work required by the Program Operator, Sponsor, appraiser, pest inspector and/or certified housing inspector, a final inspection will be conducted prior to close of escrow. The inspector will sign off on all required construction work assuring that each housing unit receiving Program assistance is in compliance with local codes and health and safety requirements at the time of purchase and prior to occupancy.

- B. Per Section 8208 of the State HOME regulations, no additional HOME assistance, including rehabilitation funds, may be provided during the period starting one year following the filing of the Project Completion Report through the end of the Affordability Period.

The HOME Affordability Period is as follows (amount does not include Activity Delivery Costs paid to the State Recipient by HCD):

Amount of HOME Assistance	Period of Affordability in Years
Under \$15,000	5 years
\$15,000 to \$40,000	10 years
Over \$40,000	15 years

- C. Lead-Based Paint Hazards: All housing units built prior to 1978 for which HOME or CDBG funding is anticipated are subject to the requirements of this section 3.2.C. Such homes must undergo a visual assessment by a person who has taken HUD’s online Visual Assessment course. Deteriorated paint must be stabilized using work safe methods. Clearance must be obtained after paint stabilization by a DHS certified LBP Risk Assessor/Inspector. HOME and CDBG general administrative and activity delivery funds may be used to pay for lead-based paint visual assessments, and if lead mitigation and clearance costs are incurred, these programs may incorporate the costs into the calculation of Program assistance.

The following requirements must be met:

- 1) **Notification:** a) Prior to homebuyer’s obligation to purchase a pre-1978 home, the Buyer will be given the most recent copy of and asked to read the EPA pamphlet “*Protect Your Family From Lead in Your Home*” (EPA 747-K-94-001). A signed receipt of the pamphlet will be kept in the Sponsor’s homebuyer file; b) A notice to residents is required following a risk assessment/inspection using form DHS 8552, which is provided by the DHS-certified Risk Assessor/Inspector; c) a notice to residents is required following lead-based paint mitigation work using Visual

Assessment and Lead-based Paint Notice of Presumption and Hazard Reduction form, LBP – 1 (Attachment H).

- 2) **Disclosure:** Prior to the homebuyer’s obligation to purchase a pre-1978 housing unit, the HUD disclosure (Attachment E), “Seller’s Lead-based Paint Disclosure” notice must be provided by the seller to the homebuyer.
- 3) **Inspections:** The Inspector shall conduct a “Visual Assessment” of all the dwelling unit’s painted surfaces in order to identify deteriorated paint. All deteriorated paint will be stabilized in accordance with CFR 35.1330 (a) and (b); and a Clearance shall be made in accordance with CFR 35.1340.
- 4) **Mitigation:** If stabilization is required, the contractor performing the mitigation work must use appropriately trained workers. Prior to the contractor starting mitigation work the Program Operator shall obtain copies of the contractor’s and workers’ appropriate proof of LBP training, as applicable to the job in order to assure that only qualified contractors and workers are allowed to perform the mitigation.

D. The Program Operator will: 1) confirm that the housing unit is within the eligible area, 2) will review each proposed housing unit to ensure that it meets all eligibility criteria before funding, and 3) ensure a completed Lead Compliance Document Checklist is placed in each purchaser’s file (see Attachment I).

3.3 ANTI-DISPLACEMENT POLICY AND RELOCATION ASSISTANCE

Eligible homes will be those that are currently owner-occupied or have been vacant for three months prior to the acceptance of a contract to purchase. A unit is ineligible if its purchase would result in the displacement of a tenant. It is not anticipated that the implementation of the Program will result in the displacement of any persons, households, or families. However, if tenant-occupied homes are included in the Program and relocation becomes necessary, the activity will be carried out in compliance with Sponsor’s relocation plan, which describes how those permanently displaced will be relocated and paid benefits in accordance with the following Federal laws.

A. **Uniform Relocation Assistance (URA) and Real Property Acquisition Policies Act of 1970**

The federal URA and Real Property Acquisition Policies, as amended by the URA Amendments of 1987, contains requirements for carrying out real property acquisition or the displacement of a person, regardless of income status, for a project or program for which HUD financial assistance (including CDBG and HOME) is provided. Requirements governing real property acquisition are described in Chapter VIII. The implementing regulations, 49 CFR Part 24, require developers and owners to take certain steps in regard to tenants of housing

to be acquired, rehabbed or demolished, including tenants who will not be relocated even temporarily.

B. Section 104(d) of the Housing and Community Development Act of 1974

Section 104(d) requires each contractor (CHDO or State Recipient), as a condition of receiving assistance under HOME or CDBG, to certify that it is following a residential anti-displacement plan and relocation assistance plan. Section 104(d) also requires relocation benefits to be provided to low-income persons who are physically displaced or economically displaced as the result of a HOME or CDBG assisted project, and requires the replacement of low-income housing, which is demolished or converted. The implementing regulations for Section 104(d) can be found in 24 CFR Part 570(a).

3.4. PROPER NOTIFICATION AND DISCLOSURES

- A. Upon selection of a housing unit, a qualified seller and homebuyer will be given the necessary disclosures for the Program. The homebuyer must have read and signed all Program disclosure forms. Any and all property disclosures must be reviewed and signed by the homebuyer and seller.
- B. All owners who wish to sell their housing units must receive an acquisition notice (Attachment F) prior to submission of the homebuyer's original offer. This notice will be included in the contract and must be signed by all owners on title. The disclosure must contain the items listed in 1.3.B. (required for federally-funded programs).

4.0. PURCHASE PRICE LIMITS

The purchase price limits for this Program shall not exceed the Maximum HOME Program Purchase Price/After-Rehab Value Limit for Sponsor's County as updated by HCD.

Attachment C: MAXIMUM PURCHASE PRICE/AFTER-REHAB VALUE LIMITS *Sponsor will update these limits annually as HCD provides new information.

5.0. THE PRIMARY LOAN

Prior to obtaining a loan from the Sponsor, a homebuyer must provide evidence of financing for the maximum amount the Primary Lender is willing to loan (the "primary loan").

A. QUALIFYING RATIOS

The front-end (housing) debt-to-income ratio shall be between 25% and 35% and is the percentage of a borrower's gross monthly income (before deductions) that would cover the cost of the loan principal and interest payment, property taxes, property insurance, mortgage insurance, and HOA dues, if any.

The back-end (total) debt-to-income ratio shall be between 28% and 45% and is the percentage of a borrower's gross monthly income that would cover the cost of housing as described in the paragraph above, plus any other monthly debt payments like car or personal loans and credit card debt, as well as child support and alimony payments. A back-end ratio of 45% will only be accepted when certain individual compensating factors exist such as a large down payment, accumulated saving, strong credit history, or potential for increased earnings, etc.

B. INTEREST RATE

The primary loan must have a fixed interest rate that does not exceed the current market rate, as established by an index identified in the most recent NOFA. No temporary interest rate buy-downs are permitted.

C. LOAN TYPE AND TERM

The primary loan shall be fully amortized and have a term "all due and payable" in no fewer than 30 years. There shall not be a balloon payment due before the maturity date of the Program loan.

D. IMPOUND ACCOUNT

All households will be required to have impound accounts for the payment of taxes and insurance to ensure they remain current.

6.0. THE PROGRAM LOAN

A. MAXIMUM AMOUNT OF PROGRAM ASSISTANCE

For HOME, the amount of Program assistance to a homebuyer toward purchase of a home shall not exceed the maximum HOME subsidy limit for Sponsor's County per bedroom per the HCD website at <http://www.hcd.ca.gov/grants-funding/income-limits/state-and-federal-income-limits.shtml> and **shall never exceed the amount of the primary mortgage**. The maximum amount of Homebuyer Program assistance to a homebuyer toward the purchase of an eligible home shall not exceed \$200,000. See Attachment C of these Program Guidelines for current limits. Any approved "grant" amount for lead-based paint evaluation and reduction activities or for relocation assistance shall be included in this amount, as shall Activity Delivery Costs.

B. NON-RECURRING CLOSING COSTS

Non-recurring costs such as credit report, escrow, closing and recording fees, and title report and title insurance, title updates and/or related costs may be included in the Program loan.

C. AFFORDABILITY PARAMETERS FOR HOMEBUYERS

The actual amount of a buyer's Program subsidy shall be computed according to the housing ratio parameters specified in Section 5.0.A.. Each borrower shall receive only the subsidy needed to allow them to become homeowners ("the Gap") while keeping their housing costs affordable. The Program Operator will use the "front-end ratio" of housing-expense-to-income to determine if the amount of the proposed primary loan is acceptable and, ultimately, the Program subsidy amount required, bridging the gap between the acquisition cost (purchase price plus closing costs) less down payment, and the amount of the primary loan.

D. RATE AND TERMS FOR PROGRAM LOAN

All Program assistance to individual households shall be made in the form of deferred payment (interest and principal) loan (DPL).

The Program loan's term shall be for 30 years.

The Program loan's interest rate shall be 3% simple interest. In the event that the homeowner's total loan amounts (including the primary loan and program loan) exceed the current market value of the home at the time of sale, all of the deferred, accrued interest will be forgiven.

All Program loan payments shall be deferred because the borrowers will have their repayment ability fully utilized under the primary loan. Loan principal shall not be forgiven, and the loan period cannot be extended, except for loans that are resubordinated when a rate and term refinance is approved, per Attachment D.

E. COMBINED LOAN-TO-VALUE RATIO

The loan-to-value ratio for a Program loan, when combined with all other indebtedness to be secured by the property, shall not exceed 100 percent of the sales price plus a maximum of up to 5 percent of the sales price to cover actual closing costs.

7.0. PROGRAM LOAN REPAYMENT

7.1. PAYMENTS ARE VOLUNTARY

Borrowers may begin making voluntary payments at any time, without penalty.

7.2. RECEIVING LOAN PAYMENTS

A. Program loan payments will be made to:

Town of Mammoth Lakes
P.O. Box 1609
Mammoth Lakes, CA 93546

B. The Sponsor will be the receiver of loan payments or recaptured funds and will maintain a financial record-keeping system to record payments and file statements on payment status. Payments shall be deposited and accounted for in the Sponsor's Program Income Account, as required by HCD programs. The Program lender will accept loan payments from borrowers prepaying deferred loans, and from borrowers making payments in full upon sale or transfer of the property. All loan payments are payable to the Sponsor. The Sponsor may at its discretion, enter into an agreement with a third party to collect and distribute payments and/or complete all loan servicing aspects of the Program.

7.3. DUE UPON SALE OR TRANSFER

In the event that an owner sells, transfers title, or discontinues residence in the purchased property for any reason, the principal balance of the DPL is due and payable, except:

- A. If the owner of the property dies, and the heir to the property meets income requirements, the First-Time Homebuyer definition, and intends to occupy the home as a principal residence, the heir may be permitted, upon approval of the Sponsor, to assume the loan at the rate and terms the heir qualifies for under the current participation guidelines. If the property owner dies and the heir does not meet eligibility requirements, the loan is due and payable.
- B. If an owner wants to convert the property to a rental unit, or any commercial or non-residential use, the loan is due and payable.
- C. The loan will be in default if the borrower fails to maintain required fire or flood insurance or fails to pay property taxes. See Attachment D on loan defaults for further information on property restrictions.

7.4. LOAN SERVICING POLICIES AND PROCEDURES

See Attachment D for local loan servicing policies and procedures. While the attached policy outlines a system that can accommodate a crisis that restricts borrower repayment ability, it should in no way be misunderstood: The loan must be repaid. All legal means to ensure the repayment of a delinquent loan as outlined in the Loan Servicing Policies and Procedures will be pursued.

7.5. LOAN MONITORING PROCEDURES

Sponsor will monitor Borrowers and their housing units annually to ensure adherence to Program requirements including, but not limited to, the following:

- A. Owner-occupancy
- B. Property tax payment
- C. Hazard insurance coverage
- D. Good standing on Primary loans
- E. General upkeep of housing units

8.0. PROGRAM LOAN PROCESSING AND APPROVAL

A. Loan Processing

All homebuyers or their representatives will be sent out an eligibility packet with all the necessary forms, disclosures, information, and application. They should submit a complete application packet with all the Sponsor's Program loan documents executed as well as all the information from the Primary Lender. The Primary Lender should submit: 1) accepted property sales contract with proper seller notification; 2) mortgage application with good faith estimates and first mortgage disclosures; 3) full mortgage credit report and rent verification; 4) current third party income verifications and verifications of assets; 5) homeownership education certificate, if applicable; and 6) signed underwriting transmittal summary and final signed loan application, both from primary lender. Staff will work with local lenders to ensure qualified participants receive only the benefit from the Sponsor's Program needed to purchase the housing unit and that leveraged funds will be used when possible.

B. Creditworthiness

Qualifying ratios are only a rough guideline in determining a potential borrower's creditworthiness. Many factors such as excellent or poor credit history, amount of down payment, and size of loan will influence the decision to approve or disapprove a particular loan. The borrower's credit history will be reviewed by the Sponsor and documentation of such maintained in the loan file. The Sponsor

may elect to obtain a credit report or rely on a current copy obtained by the primary lender.

C. Documents from Primary Lender

After initial review of the qualified homebuyer's application packet, the Program Operator will request any additional documents needed. Documents may be faxed, but originals shall be received through the mail before Program funds are committed to escrow. Based on receipt and review of the final documents, the Program Operator will do an income certification (using most recent HCD program's guidance on income calculation and determination), and homebuyer certification (review of credit report and income taxes). Documentation of affordability will then be verified and subsidy requirement determined.

D. Disclosure of Program and Loan Information to Homebuyers

The Program's application and disclosure forms will contain a summary of the loan qualifications of the borrower with and without Program assistance. Housing ratios with and without Program assistance are also outlined in these guidelines. Information on the Program's application will be documented with third party verifications in the file. For example, the sales contract will provide the final purchase price and outline how much of the closing costs are to be paid by the seller, etc. The appraisal, termite and title report will provide information to substantiate the information in the sales contract and guide the construction inspection. The Program loan application will provide current debt and housing information and will be documented by the credit report and income/asset verifications. The Primary Lender's approval letter and estimated closing cost statement should reflect all the information in the loan package and show any contingencies of loan funding. Reviewing the Primary Lender's loan underwriting documentation will provide basic information about the qualification of the applicant and substantiate the affordability provided by the Program loan. By reviewing and crosschecking all the Primary Lender information, the final Program loan amount approved will fall within the affordability parameters of the Program.

8.1. COMPLETION OF UNDERWRITING AND APPROVAL OF PROGRAM LOAN

Once the loan approval package has been completed the Program Operator will submit it to the Sponsor for approval. Sponsor will review the request and may approve it with or without conditions. Upon approval, a final closing date for escrow is set and Program funds are accessed for the homebuyer.

8.2. PRIMARY AND PROGRAM LOAN DOCUMENT SIGNING

The homebuyer(s) sign promissory notes, loan agreements, deeds of trust, and statutory

lending notices (Truth In Lending (TIL), etc.); the Deeds of Trust are recorded with the County Clerk/Recorder at the same time, and the request(s) for copy of Notice of Default are also recorded with the County Clerk/Recorder.

8.3. ESCROW PROCEDURES

The escrow/title company shall review the escrow instruction provided by the Program lender and shall issue a California Land Title Association (CLTA) and the American Land Title Association (ALTA) after closing. The CLTA policy is issued to the homebuyer and protects them against failure of title based on public records and against such unrecorded risks as forgery of a deed. The ALTA is issued to each lender providing additional coverage for the physical aspects of the property as well as the homebuyer's title failure. These aspects include anything which can be determined by only physical inspection, such as correct survey lines; encroachments; mechanics liens; mining claims and water rights. The Program lender instructs the escrow/title company in the escrow instructions as to what may show on the policy; the amount of insurance on the policy (all liens should be covered) and the loss payee (each lender should be listed as a loss payee and receive an original ALTA).

9.0. SUBORDINATE FINANCING

Subordinate loans may be used to cover mortgage subsidy costs that exceed the Program maximum loan amount. All subordinate liens must have the payments deferred and the term must be for at least as long as the term of the Program loan.

10.0. EXCEPTIONS AND SPECIAL CIRCUMSTANCES

The Sponsor may make amendments to these Participation Guidelines. Any changes shall be made in accordance with regulations and approved by the Sponsor's Loan Committee and/or governing body, after proposed changes are approved by applicable HCD Contract Management Representative(s).

10.1. DEFINITION OF EXCEPTION

Any case to which a standard policy or procedure, as stated in the guidelines, does not apply or an applicant treated differently from others of the same class would be an exception.

10.2. PROCEDURES FOR EXCEPTIONAL CIRCUMSTANCES

- A. The Sponsor or its agent may initiate consideration of an exception and prepare a report. This report shall contain a narrative, including the Sponsor's recommended course of action and any written or verbal information supplied by the applicant.

- B. The Sponsor shall make a determination of the exception based on the recommendation of the Program Operator. The request can be presented to the Sponsor's loan committee and/or governing body for a decision.

11.0. DISPUTE RESOLUTION AND APPEALS PROCEDURE

Any applicant denied assistance from the Program has the right to appeal. Complaints concerning the Program should be made to the Program Operator first. If unresolved in this manner, the complaint or appeal must be made in writing and filed with the Sponsor. The Sponsor will then schedule a meeting with the Loan Review Committee. Their written response will be made within thirty (30) working days. If the applicant is not satisfied with the Committee's decision, a request for an appeal may be filed with the Sponsor's governing body. Final appeal must be filed in writing with HCD within one year after denial.

(a) *Annual income* means all amounts, monetary or not, which:

- (1) Go to, or on behalf of, the family head or spouse (even if temporarily absent) or to any other family member; or
- (2) Are anticipated to be received from a source outside the family during the 12-month period following admission or annual reexamination effective date; and
- (3) Which are not specifically excluded in paragraph (c) of this section.
- (4) Annual income also means amounts derived (during the 12-month period) from assets to which any member of the family has access.

(b) Annual income includes, but is not limited to:

- (1) The full amount, before any payroll deductions, of wages and salaries, overtime pay, commissions, fees, tips and bonuses, and other compensation for personal services;

Expenditures for business expansion or amortization of capital indebtedness shall not be used as deductions in determining net income. An allowance for depreciation of assets used in a business or profession may be deducted, based on straight line depreciation, as provided in Internal Revenue Service regulations. Any withdrawal of cash or assets from the operation of a business or profession will be included in income, except to the extent the withdrawal is reimbursement of cash or assets invested in the operation by the family;
- (3) Interest, dividends, and other net income of any kind from real or personal property. Expenditures for amortization of capital indebtedness shall not be used as deductions in determining net income. An allowance for depreciation is permitted only as authorized in paragraph (b)(2) of this section. Any withdrawal of cash or assets from an investment will be included in income, except to the extent the withdrawal is reimbursement of cash or assets invested by the family. Where the family has net family assets in excess of \$5,000, annual income shall include the greater of the actual income derived from all net family assets or a percentage of the value of such assets based on the current passbook savings rate, as determined by HUD;
- (4) The full amount of periodic amounts received from Social Security, annuities, insurance policies, retirement funds, pensions, disability or death benefits, and other similar types of periodic receipts, including a lump-sum amount or prospective monthly amounts for the delayed start of a periodic amount (except as provided in paragraph (c)(14) of this section);
- (5) Payments in lieu of earnings, such as unemployment and disability compensation, worker's compensation and severance pay (except as provided in paragraph (c)(3) of this section);

(6) *Welfare assistance payments.*

(i) Welfare assistance payments made under the Temporary Assistance for Needy Families (TANF) program are included in annual income only to the extent such payments:

(A) Qualify as assistance under the TANF program definition at 45 CFR 260.31; and

(B) Are not otherwise excluded under paragraph (c) of this section.

(ii) If the welfare assistance payment includes an amount specifically designated for shelter and utilities that is subject to adjustment by the welfare assistance agency in accordance with the actual cost of shelter and utilities, the amount of welfare assistance income to be included as income shall consist of:

(A) The amount of the allowance or grant exclusive of the amount specifically designated for shelter or utilities; plus

(B) The maximum amount that the welfare assistance agency could in fact allow the family for shelter and utilities. If the family's welfare assistance is ratably reduced from the standard of need by applying a percentage, the amount calculated under this paragraph shall be the amount resulting from one application of the percentage.

(7) Periodic and determinable allowances, such as alimony and child support payments, and regular contributions or gifts received from organizations or from persons not residing in the dwelling;

A resident service stipend is a modest amount (not to exceed \$200 per month) received by a resident for performing a service for the PHA or owner, on a part-time basis, that enhances the quality of life in the development. Such services may include, but are not limited to, fire patrol, hall monitoring, lawn maintenance, resident initiatives coordination, and serving as a member of the PHA's governing board. No resident may receive more than one such stipend during the same period of time;

(17) Amounts specifically excluded by any other Federal statute from consideration as income for purposes of determining eligibility or benefits under a category of assistance programs that includes assistance under any program to which the exclusions set forth in 24 CFR 5.609(c) apply. A notice will be published in the FEDERAL REGISTER and distributed to PHAs and housing owners identifying the benefits that qualify for this exclusion. Updates will be published and distributed when necessary. [See <https://www.federalregister.gov/documents/2014/05/20/2014-11688/federally-mandated-exclusions-from-income-updated-listing> for most recent notice]

(d) *Annualization of income.* If it is not feasible to anticipate a level of income over a 12-month period (e.g., seasonal or cyclic income), or the PHA believes that past income is the best available indicator of expected future income, the PHA may annualize the income anticipated for a shorter period, subject to a redetermination at the end of the shorter period.

PART 5 ANNUAL INCOME NET FAMILY ASSET INCLUSIONS AND EXCLUSIONS

This table presents the 24 CFR Part 5 asset inclusions and exclusions as stated in the HUD Technical Guide for Determining Income and Allowances for HOME Program (Third Edition; January 2005).

Inclusions

1. Cash held in savings accounts, checking accounts, safe deposit boxes, homes, etc. For savings accounts, use the current balance. For checking accounts, use the average 6-month balance. Assets held in foreign countries are considered assets.
2. Cash value of revocable trusts available to the applicant.
3. Equity in rental property or other capital investments. Equity is the estimated current market value of the asset less the unpaid balance on all loans secured by the asset and all reasonable costs (e.g., broker fees) that would be incurred in selling the asset. Under HOME, equity in the family's primary residence is not considered in the calculation of assets for owner-occupied rehabilitation projects.
4. Cash value of stocks, bonds, Treasury bills, certificates of deposit and money market accounts.
5. Individual retirement, 401(K), and Keogh accounts (even though withdrawal would result in a penalty).
6. Retirement and pension funds.
7. Cash value of life insurance policies available to the individual before death (e.g., surrender value of a whole life or universal life policy).
8. Personal property held as an investment such as gems, jewelry, coin collections, antique cars, etc.
9. Lump sum or one-time receipts, such as inheritances, capital gains, lottery winnings, victim's restitution, insurance settlements and other amounts not intended as periodic payments.
10. Mortgages or deeds of trust held by an applicant.

Exclusions

1. Necessary personal property, except as noted in number 8 of Inclusions, such as clothing, furniture, cars and vehicles specially equipped for persons with disabilities.
2. Interest in Indian trust lands.
3. Assets not effectively owned by the applicant. That is, when assets are held in an individual's name, but the assets and any income they earn accrue to the benefit of someone else who is not a member of the household and that other person is responsible for income taxes incurred on income generated by the asset.
4. Equity in cooperatives in which the family lives.
5. Assets not accessible to and that provide no income for the applicant.
6. Term life insurance policies (i.e., where there is no cash value).
7. Assets that are part of an active business. "Business" does not include rental of properties that are held as an investment and not a main occupation.

LOAN SERVICING POLICIES AND PROCEDURES FOR Town of Mammoth Lakes

The Town of Mammoth Lakes, hereafter called “Lender,” has adopted these policies and procedures in order to preserve its financial interest in properties whose “Borrowers” have been assisted with public funds. The Lender will to the greatest extent possible follow these policies and procedures, but each loan will be evaluated and handled on a case-by-case basis. The Lender has formulated this document to comply with state and federal regulations regarding the use of these public funds and any property restrictions, which are associated with them.

The policies and procedures are broken down into the following areas: 1) making required monthly payments or voluntary payments on a loan’s principal and interest; 2) required payment of property taxes and insurance; 3) required Request for Notice of Default on all second mortgages; 4) loans with annual occupancy restrictions and certifications 5) required noticing and limitations on any changes in title or use of property; 6) required noticing and process for requesting a subordination during a refinance; 7) processing of foreclosure in case of default on the loan.

1. Loan Repayments:

The Lender will collect monthly payments from those borrowers who are obligated to do so under Notes which are amortized promissory notes (or Lender will use _____ loan collection Company to collect payments). Late fees will be charged for payments received after the assigned monthly due date.

For Notes which are deferred payment loans, the Lender must accept voluntary payments on the loan. Loan payments will be credited to principal. The Borrower may repay the loan balance at any time with no penalty.

2. Payment of Property Taxes and Insurance:

As part of keeping the loan from going into default, borrower must maintain property insurance coverage naming the Lender as loss payee. Except for HOME-funded loans, if borrower fails to maintain the necessary insurance, the Lender may take out force placed insurance to cover the property while the Borrower puts a new insurance policy in place. All costs for installing the necessary insurance will be added to the loan balance at time of installation of Borrower’s new insurance.

When a property is located in a 100-year flood plain, the Borrower will be required to carry the necessary flood insurance. A certificate of insurance for flood and for standard property insurance with an endorsement naming the Town of Mammoth Lakes as lender loss payee will be required at close of escrow. The lender will verify the insurance on an annual basis.

Property taxes must be kept current during the term of the loan. If the Borrower fails to maintain payment of property taxes then the lender may pay the taxes current and add the balance of the tax

payment plus any penalties to the balance of the loan (not permissible when funded with HOME). Wherever possible, the Lender encourages Borrower to have impound accounts set up with their first mortgagee wherein they pay their taxes and insurance as part of their monthly mortgage payment.

3. Required Request for Notice of Default:

When the Borrower's loan is in second position behind an existing first mortgage, it is the Lender's policy to prepare and record a "Request for Notice of Default" for each senior lien in front of Lender's loan. This document requires any senior lienholder listed in the notice to notify the lender of initiation of a foreclosure action. The Lender will then have time to contact the Borrower and assist them in bringing the first loan current, if possible. The Lender can also monitor the foreclosure process and go through the necessary analysis to determine if the loan can be made whole or preserved. When the Lender is in a third position and receives notification of foreclosure from only one senior lienholder, it is in their best interest to contact any other senior lienholders regarding the status of their loans.

4. Annual Occupancy Restrictions and Certifications:

On owner-occupant loans, the Lender will require that Borrowers submit utility bills and/or other documentation annually to prove occupancy during the term of the loan. For CDBG, some loans may have income and housing cost evaluations, which require a household to document that they are not able to make amortized loan payments, typically every five years. These loan terms are incorporated in the original Note and Deed of Trust. On HOME-funded loans, annual occupancy verification will occur between May 1 and 15 of each year for the term of the loan.

5. Required Noticing and Restrictions on Any Changes of Title or Occupancy:

In all cases where there is a change in title or occupancy or use, the Borrower must notify the Lender in writing of any change. Lender and Borrower will work together to ensure the property is kept in compliance with the original Program terms and conditions such that it remains available as an affordable home for low-income families. These types of changes are typical when Borrowers do estate planning (adding a relative to title) or if a Borrower dies and property is transferred to heirs or when the property is sold or transferred as part of a business transaction. In some cases, the Borrower might move and turn the property into a rental unit without notifying the Lender. Changes in title or occupancy must be in keeping with the objective of benefit to low-income households (below 80 percent of AMI).

Change from owner-occupant to owner-occupant occurs at a sale. When a new owner-occupant is not low-income, the loan is not assumable and the loan balance is immediately due and payable. If the new owner-occupant qualifies as low-income, the purchaser may either pay the loan in full or assume all loan repayment obligations of the original owner-occupant, subject to the approval of the Lender's Loan Committee (depends on the HCD program).

If a transfer of the property occurs through inheritance, the heir (as owner-occupant) may be provided the opportunity to assume the loan at an interest rate based on household size and household income, provided the heir is income eligible. If the heir intends to occupy the property and is not low-income, the balance of the loan is due and payable. For CDBG only, if the heir intends to act as an owner-

investor (not permitted under HOME), the balance of the loan may be converted to an owner/investor interest rate and loan term and a rent limitation agreement is signed and recorded on title. All such changes are subject to the review and approval of the Lender's Loan Committee.

Change from owner-occupant to owner-investor occurs when an owner-occupant decides to move out and rent the assisted property, or if the property is sold to an investor. If the owner converts any assisted unit from owner-occupied to rental, the loan is due in full.

Conversion to use other than residential use is not allowable where the full use of the property is changed from residential to commercial or other. In some cases, Borrowers may request that the Lender allow for a partial conversion where some of the residence is used for a business but the household still resides in the property. Partial conversions can be allowed if it is reviewed and approved by any and all agencies required by local statute. If the use of the property is converted to a fully non-residential use, the loan balance is due and payable.

6. Requests for Subordinations:

When a Borrower wishes to refinance their existing first mortgage, they must submit a subordination request to the Sponsor. The Sponsor will subordinate their loan only when there is no "cash out" as part of the refinance. No cash out means there are no additional charges on the transaction above loan and escrow closing fees. There can be no third-party debt payoffs or additional encumbrances on the property above traditional refinance transaction costs. The refinance should lower the existing housing cost of the household. The total indebtedness on the property should not exceed the current market value except when the borrower is obtaining a HARP II or other similar federally approved refinance loan. If the HARP II or other similar financing is approved and meets all other requirements, Combined Loan-To-Value will not be considered when reviewing the subordination request.

Also, the loan must:

1. be fully amortized and have a fixed interest rate that does not exceed the current market rate, as established by an index identified in the most recent NOFA;
2. not have a temporary interest rate buy-down;
3. have a term "all due and payable" that matures prior to or concurrently with the maturity date of the Promissory Note. Therefore, the maturity date of the existing Promissory Note should be modified to coincide with the maturity date of the new first mortgage; and,
4. not have a balloon payment due before the maturity date of the Program loan.

Upon receiving the proper documentation from the refinance lender, the request will be considered by the loan committee for review and approval. Upon approval, the escrow company will provide the proper subordination document for execution and recordation by the Sponsor.

7. Process for Loan Foreclosure:

Upon any condition of loan default: 1) non-payment; 2) lack of insurance or property tax payment; 3) change in title or use without approval; 4) default on senior loans, the Lender will send out a letter to the

Borrower notifying them of the default situation. If the default situation continues then the Lender may start a formal process of foreclosure.

When a senior lienholder starts a foreclosure process and the Lender is notified via a Request for Notice of Default, the Lender, who is the junior lienholder, may cancel the foreclosure proceedings by "reinstating" the senior lienholder. The reinstatement amount or payoff amount must be obtained by contacting the senior lienholder. This amount will include all delinquent payments, late charges and fees to date. Lender must confer with Borrower to determine if, upon paying the senior lienholder current, the Borrower can provide future payments. If this is the case then the Lender may cure the foreclosure and add the costs to the balance of the loan with a Notice of Additional Advance on the existing note.

If the Lender determines, based on information on the reinstatement amount and status of Borrower, that bringing the loan current will not preserve the loan, then staff must determine if it is cost effective to protect their position by paying off the senior lienholder in total and restructure the debt such that the unit is made affordable to the Borrower. If the Lender does not have sufficient funds to pay the senior lienholder in full, then they may choose to cure the senior lienholder and foreclose on the property themselves. As long as there is sufficient value in the property, the Lender can afford to pay for the foreclosure process and pay off the senior lienholder and retain some or all of their investment.

If the Lender decides to reinstate, the senior lienholder will accept the amount to reinstate the loan up until five (5) days prior to the set "foreclosure sale date." This "foreclosure sale date" usually occurs about four (4) to six (6) months from the date of recording of the "Notice of Default." If the Lender fails to reinstate the senior lienholder before five (5) days prior to the foreclosure sale date, the senior lienholder would then require a full pay off of the balance, plus costs, to cancel foreclosure. If the Lender determines the reinstatement and maintenance of the property not to be cost effective and allows the senior lienholder to complete foreclosure, the Lender's lien may be eliminated due to insufficient sales proceeds.

Lender as Senior Lienholder

When the Lender is first position as a senior lienholder, active collection efforts will begin on any loan that is 31 or more days in arrears. Attempts will be made to assist the homeowner in bringing and keeping the loan current. These attempts will be conveyed in an increasingly urgent manner until loan payments have reached 90 days in arrears, at which time the Lender may consider foreclosure. Lender's staff will consider the following factors before initiating foreclosure:

- 1) Can the loan be cured and can the rates and terms be adjusted to allow for affordable payments such that foreclosure is not necessary?
- 2) Can the Borrower refinance with a private lender and pay off the Lender?
- 3) Can the Borrower sell the property and pay off the Lender?
- 4) Does the balance warrant foreclosure? (If the balance is under \$5,000, the expense to foreclose may not be worth pursuing.)

- 5) Will the sales price of home "as is" cover the principal balance owing, necessary advances, (maintain fire insurance, maintain or bring current delinquent property taxes, monthly yard maintenance, periodic inspections of property to prevent vandalism, etc.) foreclosure, and marketing costs?

If the balance is substantial and all of the above factors have been considered, the Lender may opt to initiate foreclosure. The Borrower must receive, by certified mail, a thirty-day notification of foreclosure initiation. This notification must include the exact amount of funds to be remitted to the Lender to prevent foreclosure (such as, funds to bring a delinquent BMIR current or pay off a DPL).

At the end of thirty days, the Lender should contact a reputable foreclosure service or local title company to prepare and record foreclosure documents and make all necessary notifications to the owner and junior lienholders. The service will advise the Lender of all required documentation to initiate foreclosure (Note and Deed of Trust usually) and funds required from the owner to cancel foreclosure proceedings. The service will keep the Lender informed of the progress of the foreclosure proceedings.

When the process is completed, and the property has "reverted to the beneficiary" at the foreclosure sale, the Lender could sell the home themselves under a homebuyer program or use it for an affordable rental property managed by a local housing authority or use it for transitional housing facility or other eligible use. The Lender could contract with a local real estate broker to list and sell the home and use those funds for program income eligible uses.
